The Roots of Discipline

First Principles with David Kahn

Friday, February 24th: Parent Forum 7:00-8:30 p.m.

At Follow the Child Montessori School in Raleigh

David Kahn is the Executive Director of the North American Montessori Teacher Association, and has decades of experience leading schools and as an international speaker.

An interactive parent and teacher exchange David Kahn will start the evening off with a brief description of Montessori's philosophy of discipline and the design of the prepared home environment. Then parents share their personal challenges in encouraging the moral and learning potential of their children under age 12. This humorous and personal format has proven effective for engaging parents to describe and share common challenges. Attendance Limited to 100.
